

## Entry Visa for EU Blue Card

All applicants must produce a valid passport with a re-entry permit (persons without a residence status in Hong Kong cannot apply).  
Processing takes **approx. 2 weeks** upon submission of complete documents.  
A **flight ticket is not** to be purchased until the visa has been granted.  
We ask that no status requests be made if the required 2-week processing period has not yet passed. The applicant will automatically, on completion of the processing, receive a prompt notification.  
It is the applicant's responsibility to ensure that his/her application is submitted in time. Bad planning on the applicant's side does not automatically warrant exceptional handling from our side.  
The fee for the processing of the visa application of an adult is the equivalent of **Euro 75.00** and has to be **paid in HKD in cash**.  
All documents must be submitted in original as well as 2 copies. Copies will not be made by Consulate General staff.  
This information is not a concluding list of documents. Further documentation can at any time be requested by the Consulate General or provided by the applicant.

<b>2 identical sets of documents have to be submitted. Originals will be handed back to applicant after examination.</b>	Incl./miss

Besides, the submission of the above mentioned documents does not guarantee the issue of a visa (in time).
