

Working Holiday Visa

The Working Holiday Scheme aims to enable citizens of Hong Kong between 18 and 30 years to gain an insight into the culture and daily life in the Federal Republic of Germany. It allows them to travel to Germany for a stay of up to twelve months. Since the Working Holiday Scheme is intended to promote greater mutual understanding, the applicant's primary aim should be to visit Germany. However, to help finance the stay, short-term employments of not more than three months each can be taken up with different employers of the visa holder's choice.

300 Working Holiday Visa per year which will be issued on a first-come, first-served basis.
